

LIST of MY UFOLOGICAL PUBLICATIONS

(as for Jan. 08th, 2013).

The texts have been categorized by category (in brackets). In alphabetical order:
BIB = Bibliographic references; CHR = Researchers' reflections and assumptions; CMG = Around the world classic cases; DIV = Various (not classifiable elsewhere); ECO: Summing up & book review; ETR = Studies and Research; INS = Scientific Information; INT = International News; INV = On the field investigation; INW = Interview; MET = Methodology; UES = Ufology versus society.

The following figures stand for the year and issue of the review.
For example: 73-7 means issue 7, 1973.

1. Inforespace

As taken from "*Index of 115 First Inforespace Issues and Related Publications*"
(page 74 and seq.)
